

Before and After School Programmes

July 2010

Dear Parents,

We look forward to seeing your children at Parnell Trust's school holiday programmes where they will be able to relax and unwind after a busy winter term. And we look forward to seeing everyone back in Term 3, refreshed and ready for the new term.

Staff

You may have noticed several new faces around lately – we have recently employed a number of new staff members and welcome them to the PFC team. All staff members receive ongoing training and guidance so that we are able to continue to offer an excellent service. A special word of thanks to Jerry Kemp, site leader at Our Lady of the Sacred Heart – he leaves us at the end of the term to pursue his career in the Navy.

We need your help

Please keep us informed and updated if your child has an allergy – in order to safely manage children with allergies we need as much information as you have available. Please call the office on 379 2095 x9724 with any relevant information and updates. Also keep your contact details current – please let us know if any of your contact details change. Either call Jan at the office or fill in a notification form (green) at the sites.

All sites are carefully staffed according to the CYF standards ratio of 1:10. Parents calling on the day to book children in run the risk of being turned away. By taking extra children into the programmes we compromise these ratios and CYF and OSCAR standards. In helping us to deal with this problem it would be better to ring Jan directly to book in your children rather than leaving a message at the site.

Parnell Trust July School Holiday Programme

Based at Parnell District School

Our programmes are filling up fast. Call Jan on 379 2095 x9724 to secure a place. On offer this winter: Five up – 5 years and older, Rock on - 9-14 year olds, LEGO Robotics, Biz for Kids and in the spirit of the World Cup, a four day soccer clinic. Full programme details are available at www.parnell.org.nz.

Kind Regards,

Jenny Barrow
Team Leader
Programmes for Children
