Parnell Farmers' Market is open every Saturday, 8am - 12noon rain or shine; buskers are welcomed to entertain stallholders and customers from 9am.

We invite musicians/groups from all genres to perform, and also enjoy performances by acrobats, magicians, jugglers and other entertainers.

Stallholders will provide a gold coin donation or donate product when the music provides a great market ambience and inspires the shoppers.

We can provide power for amps and have a marquee available for inclement weather. Music and entertainment is a secondary activity to the trade by stallholders but adds a great deal to the Parnell Farmers' Market experience.

Contact Market Manager Gill Warren on 027 555 4805 to book your performance.
