

JANUARY 2010

Business for Kids

18-22 January

For children aged 8-12 years **At Parnell District School Hall** (map page 9)

Experience the joy and satisfaction of running a successful business venture. Discover your strengths and talents, use your imagination and partner with others to set up a business venture with a product or service that your team is confident will be a hit at market. Maybe a range of jewellery, toys for pets, or a performing arts group. During the week you will plan your team's strategy, develop your negotiation skills, and have fun as you immerse yourself in the world of business. Visit a local small business to get a close up and personal view of the challenges and triumphs businesses face today. On market day you will experience the bustle and buzz of the marketplace, presenting your products and services appealingly and enticing buyers to your market stall. Amaze your friends and family and calculate your profits from sales. The Business for Kids programme has been developed by Young Enterprise Trust.

FEE \$335

Programme hours:

Monday, Tuesday, Wednesday, Friday

9am – 4pm

Thursday (Market Day)

9am – 7pm

Children are invited to join our programmes from 8am and up to 6pm.

My School Holiday Programme – Biz 4 Kids.

From the 28th of Sep., to the 2nd of Oct., 2009 I went to a school holiday programme in Parnell District School! The programme is Business for Kids, it is a week for kids like me (8-14) to learn how to earn and use money. I liked my teacher; he taught us lots of secrets about business! I almost forgot to say that I was the Warehouse Manager that sold stuff to businesses. The richest person was the governor, but I was the 2nd richest in Biz 4 Kids - after tax that is...! I liked this school holiday programme. I want to tell all my friends about it! I hated the tax that was given to the governor but I had a great time having fun and learning the secrets of business.

Wayne Shih

Business for Kids Market Night

Our young entrepreneurs are going to be very busy designing and creating exciting products to sell.

Please support them in their business ventures by joining us at the Business for Kids Market Night where they will be selling their wares.

Family and friend are welcome.

**Thursday, 21 January 2010, 6-7pm
Parnell District School**

Hope to see you there!
