

Before and After School Programmes

July 2010

Good news for Parnell School BSP

Parnell Trust is pleased to announce we will be offering our Parnell School Before School Programme for Term 3, beginning Monday 19 July.

The programme will be available every day between 7.30am-8.30am, and is the 'worry free' way of leaving your children at school prior to the start of the school day.

For just \$5 a day enrolled (\$6 casual), your child will be supervised by experienced staff in an OSCAR-approved before school programme. As an added bonus for the cold winter mornings, children will be provided with breakfast to fuel them for the busy school day, at no extra cost.

For further information, or to enrol your child, please contact:
Jan on 379 2095 x9724 or pfc@parnell.org.nz .
